"**Allen Hill and Pipe Organ Consulting** are dedicated to quality pipe organ tuning and service. They are reliable, skilled and easy to work with. We are pleased to recommend them to anyone."

➤ **Arthur Rishi**, Music Director, *St. Mary of the Assumption Parish, Brookline MA Executive Director, Prism Opera, Inc.*

"The organ was crisp, clean and in tune. It made the accompanied pieces sang by the Susquehanna Concert Choir tonight, perfect."

➤ **Robert Hopko**, Ph.D., Director of Music, *St Rose of Lima Parish, Meriden, CT., 2005 Susquehanna University Choir Tour - St Rose, March 5, 2005.*

"Allen has yet again come to the rescue for St. Joseph Church in Bristol. He has guided us through many projects and has always been very attentive to questions from both amateurs and professionals. His tuning work is outstanding and his speedy response to emergency situations keeps the organ in excellent condition."

➤ **Jean Degan**, MM Liturgical Music - Organ performance, *Hartt School of Music, Director of Music Ministries, St. Joseph Church, Bristol, CT*

"Allen has faithfully overseen the maintenance of our instrument for almost 10 years – we couldn't be more pleased. From regular tuning, to recovery from major water damage, Allen's work has always been timely and of the highest quality."

➤ **Jonathan D. Reuning-Scherer**, MM., Yale - *Director of Music, Emanuel Lutheran Church, Manchester CT, Founder and Artistic Director of GodSong, an ecumenical choir dedicated to the performance of sacred music within the context of worship.*

"The organ actually sounded quite wonderful ... it sounded great today."

➤ **Paul Halley**, Founder & Artistic Director, *Joyful Noise, Inc.*, expressing delight after the annual *Christmas Angelicus 2004* concert, December 18, 2004 at *St John's Episcopal Church, Waterbury, CT* **Hear sound bites on our website**
